## Exclusive use sleepover weddings.

Kinblethmont is the perfect venue for a bespoke sleepover wedding. It is not a hotel so can be made to reflect your personality as closely as possible. We, with our wedding co-ordinator, will help you achieve this.

Over the next few pages you will be able to see some of the options that can be mixed and matched to make the perfect wedding for you. Have a flick through and see if Kinblethmont might suit you. If so, please get in touch to discuss further or to make an appointment for a viewing.

## Catering

Looking after a large group for a longer wedding can be daunting. Our guests use a variety of solutions to create their ideal weekend. We can help arrange any combination of these.

**Self catering;** great when there are cooks in the group.

**Pot Luck;** where guests bring food to be heated up and shared.

**Drop and Go;** delicious prepared meals ready to be popped into ovens and enjoyed.

**Relaxed catering;** chef and staff to supply good quality home-style cooking without the fuss.

**Grand dining;** where no detail is overlooked.

## What's included in the price?

Our venue fee includes the venue for your wedding, weekend accommodation in Kinblethmont House (and cottages where appropriate) and the services of our wedding co-ordinator. We do not charge you any corkage on your wine. To secure your dates you need to pay a deposit of £1000 with the balance due 6 weeks before your wedding.

You can see an indication of our prices on our website pages  
<http://www.kinblethmont.com/wedding-home.html>

For a large wedding with a marquee you will need to add on the price of marquee, toilet block and catering tent hire – we will be able to help you source these.

Our prices do not include any catering, decoration or marquee contents.

# Gourlay Events

## Wedding Catering

If your wedding celebration is arranged for a marquee in the garden or at a local hall we can provide a full catering service and comfortably provide table service for up to three hundred guests.

We can deal with the table setup including table cloths, crockery, cutlery and the provision of glasses. For marquee based

weddings we provide a fully operational portable kitchen and can coordinate arrangements with the other services to ensure a professional service.

We aim to help you enjoy the wedding day by ensuring all arrangements for the catering behind the scenes are managed in a professional manner and your guests are well cared for.

## Marquee Hire

Marquees have a unique atmosphere. Set up temporarily for a single occasion, they are a space apart from normal life, embodying the specialness of an event.

With a marquee, any layout is possible, long, square, L-shaped all fully lined and complete with flooring and chandelier lighting. The bride and groom can stamp their character on an event in any way they choose, unlike in a fixed venue where the decorative possibilities may be limited, and size and shape are fixed. Hiring a marquee also gives you the opportunity to welcome guests to a wedding reception at home at a time of your choosing and party until the small hours.
